Program Information and Program of Studies
The admission criteria for this program is a GPA of 3.0 or higher and is the same as for other programs in the
College of Education (see MSU Graduate Catalog). Students seeking the Fifth Year, M.A. in Education, or
the Rank I in elementary, middle, or secondary education may complete a 12-hour environmental
education endorsement specialization. Certified teachers seeking the endorsement in environmental
education are also eligible for the program. Completion of the program shall result in the student’s being
recommended for the endorsement as a teacher of environmental education.

Choose One of the Following:
- EDU 663  Workshops in Environmental Education              | 3     |
- EDU 665  Field Experiences in Environmental Education       | 3     |

Choose One of the Following:
- EDU 620  Internship in Environmental Education              | 3     |
- EDU 660  Special Problems in Environmental Education         | 3     |
- EDU 663  Workshops in Environmental Education                | 3     |
- EDU 667  Environmental Education in Austria, Germany, and Switzerland | 3     |
- EDU 668  Agriculture and the Environment in the Classroom    | 3     |

Assessment: Continuous formal and informal assessment procedures will be used to document and
systemically monitor student progress through the education program in order to determine the degree to
which students have internalized and can demonstrate proficiency with both the Experienced Teacher
Standards and the North American Association for Environmental Education Standards.  
Exit Assessment: EDU 515 requires an environmental education literature review related
to classroom instruction, a minimum 3.0 GPA in the endorsement classes, and verification
of program of studies.
