Program Prerequisites:

1. The possession of a valid elementary, middle or high school teaching certificate and/or a valid school administration certificate.
2. Meet university general requirements for admission/retention including a 3.0 overall GPA.

Program of Studies: The following program prepares certified educators to create classroom environments that will nurture the learning process; develop individualized academic plans for at-risk youth; and analyze current safe school data in order to revise curriculum, foster safe common areas in schools, and promote frequent practice of crisis procedures. Program participants will be safety leaders both in their school and district. They develop the skills and dispositions of reflective decision-makers through an endorsement program that prepares them to create and maintain a safe school learning environment. The endorsement shall be valid for Kentucky schools/districts.

Participants are required to take the following 9 hours.

Course	Title	Hours	Grade
ADM 677	Crisis Management in Educational Settings	3	_____
ADM 675	Introductions to Alternative Education Settings	3	_____
GUI 687	Introduction to Guidance	3	_____

Participants choose one of the following 3 hour courses.

SED 540	Procedures for Classroom Management and Discipline	3	_____
SED 651	Social Competence for Safe Environments	3	_____
EDU 625	Theory & Practice in Classroom Management	3	_____

Continuous assessment procedures are used to monitor student progress through the education program in order to determine the degree to which students have internalized and can demonstrate proficiency with the Kentucky Safety Educator Standards and the Experienced Teacher Standards. **Exit assessment:** A GPA of 3.0 or higher, verification of program of studies, a portfolio developed in ADM 677 is used to synthesize the content from other courses to produce a school safety plan that is also presented in a *PowerPoint*.
