V. INSTRUCTIONAL ACTIVITIES:
Lectures, readings, discussions, problem-based papers and field-experiences. Course assignments will be reflective of the objectives and the intent of the course and will include, but not be limited to, the following:
A. Community Problem Solving (Anchor Assessment 6) - Candidates will interview members of the community to identify a “short list” of perceived power brokers in the community. Conditions related to education, inclusive of educational indicators as well as key demographic and economic indicators will be compiled. Community members, including power brokers, will be interviewed using questions that provide insight into the needs of the school community. Education, demographic, economic and opinion data will be compiled for review by a stakeholder group. Candidates will lead stakeholders in the development of a proposal for a community-based solution, and may present the proposal to the appropriate entity.
B. Evaluate/Create a School Communication Plan – Students will obtain the school communication plan and work with the principal to develop an update.
C. Evaluate School Crisis Plan – Students will obtain a copy of the school’s crisis plan and work with the principal to evaluate and update as needed.
D. Web Site Review – Students will review the school website and suggest opportunities for revision.
E. Professional Reading and Reflection: Students will engage in professional reading as related to the content and will develop a professional response through reflective writing.

VI. FIELD, CLINICAL, AND/OR LABORATORY EXPERIENCES:
Students will complete 25 hours of instructor-approved field-experiences that address Critical Success Factors 6, 7, 12 and 13, inclusive of Anchor Assessment 6. Students will submit to the instructor for approval a plan for field-experiences within the third week of the semester.
VII. TEXT(S) AND RESOURCES:

Time and support will be provided for the Community Problem Solving project, and may be provided for other approved field experiences.

VIII. EVALUATION AND GRADING PROCEDURES:
A=92% to 100%
B=80% to 91%
C=70% to 79%
D= 60% to 69%
E=Less than 60%
Note: Grades of C or lower do not meet program requirements and must be retaken.

IX. ATTENDANCE POLICY:
Students are expected to adhere to the MSU Attendance Policy outlined in the current *MSU Bulletin*.

X. ACADEMIC HONESTY POLICY:
Murray State University takes seriously its moral and educational obligation to maintain high standards of academic honesty and ethical behavior. Instructors are expected to evaluate students’ academic achievements accurately, as well as ascertain that work submitted by students is authentic and the result of their own efforts, and consistent with established academic standards. Students are obligated to respect and abide by the basic standards of personal and professional integrity.

Violations of Academic Honesty include:
- **Cheating** - Intentionally using or attempting to use unauthorized information such as books, notes, study aids, or other electronic, online, or digital devices in any academic exercise; as well as unauthorized communication of information by any means to or from others during any academic exercise.
- **Fabrication and Falsification** - Intentional alteration or invention of any information or citation in an academic exercise. Falsification involves changing information whereas fabrication involves inventing or counterfeiting information.
- **Multiple Submission** - The submission of substantial portions of the same academic work, including oral reports, for credit more than once without authorization from the instructor.
- **Plagiarism** - Intentionally or knowingly representing the words, ideas, creative work, or data of someone else as one’s own in any academic exercise, without due and proper acknowledgement.

Instructors should outline their expectations that may go beyond the scope of this policy at the beginning of each course and identify such expectations and restrictions in the course syllabus. When an instructor receives evidence, either directly or indirectly, of
academic dishonesty, he or she should investigate the instance. The faculty member should then take appropriate disciplinary action.

Disciplinary action may include, but is not limited to the following:
1) Requiring the student(s) to repeat the exercise or do additional related exercise(s).
2) Lowering the grade or failing the student(s) on the particular exercise(s) involved.
3) Lowering the grade or failing the student(s) in the course.

**If the disciplinary action results in the awarding of a grade of E in the course, the student(s) may not drop the course.**

Faculty reserve the right to invalidate any exercise or other evaluative measures if substantial evidence exists that the integrity of the exercise has been compromised. Faculty also reserve the right to document in the course syllabi further academic honesty policy elements related to the individual disciplines.

A student may appeal the decision of the faculty member with the department chair in writing within five working days. Note: If, at any point in this process, the student alleges that actions have taken place that may be in violation of the Murray State University Non-Discrimination Statement, this process must be suspended and the matter be directed to the Office of Institutional Diversity, Equity and Access. Any appeal will be forwarded to the appropriate university committee as determined by the Provost.

**XI. NON-DISCRIMINATION POLICY AND STUDENTS WITH DISABILITIES:**

**Policy Statement**
Murray State University endorses the intent of all federal and state laws created to prohibit discrimination. Murray State University does not discriminate on the basis of race, color, national origin, gender, sexual orientation, religion, age, veteran status, or disability in employment, admissions, or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities equal access to participate in all programs and activities. For more information, contact the Executive Director of Institutional Diversity, Equity and Access, 103 Wells Hall, (270) 809-3155 (voice), (270) 809-3361 (TDD).
