A. Summary of SBDM Policy Requirements – Students will develop a summary of state regulatory requirements and related district for school policy and procedures.

B. Financial Document Simulation – Students will be presented with a series of documents and situations related to school budgeting and purchasing. He/she must provide an acceptable course of action and/or interpretation of relevant financial documentation based on the situation presented.

C. Summary of Facility Standards – Students will synthesize state and federal regulations as related to public school facilities.

D. Professional Reading – Students will engage in professional reading regarding best practices in areas such as student scheduling, organization of staff, crisis planning, technology and student health services.

VI. FIELD, CLINICAL AND/OR LABORATORY EXPERIENCES
This course is taken with ADM 632, Practicum in Organization and Operation of Schools.

VII. TEXT AND RESOURCES
No Text. Live Text used. District policies, Kentucky Uniform Accounting Procedures, School Facilities Standards, source documents from Kentucky Department of Education.

VIII. EVALUATION AND GRADING PROCEDURES
Your course grade will be determined using the following criteria:
1.
2.
3.
4.
5.

TOTAL POINTS TO BE EARNED:
Final grade computation will be as follows:
A = 92% to 100%
B = 91% to 80%
C = 79% to 70%

A grade below B does not meet the Department of Educational Leadership and Counseling requirements for any degree or licensure program. Assignments must be turned in at beginning of class in order to potentially earn full credit. Late assignments will be marked off 20% each day late. Student attendance, participation in class activities and discussions, and attitude are factors than can also determine grades. This course is taken concurrent with ADM 632, where field-experiences and most projects are embedded.

IX. ATTENDANCE POLICY
This course adheres to the published in the MSU Graduate bulletin. Attendance is expected in this course. Excused absences will need to be cleared with the professor in advance. Absenteeism is strongly discouraged. Two unexcused absences will result in your final grade lowered by one letter grade.
X. ACADEMIC HONESTY POLICY

Murray State University takes seriously its moral and educational obligation to maintain high standards of academic honesty and ethical behavior. Instructors are expected to evaluate students’ academic achievements accurately, as well as ascertain that work submitted by students is authentic and the result of their own efforts, and consistent with established academic standards. Students are obligated to respect and abide by the basic standards of personal and professional integrity.

Violations of Academic Honesty include:

**Cheating** - Intentionally using or attempting to use unauthorized information such as books, notes, study aids, or other electronic, online, or digital devices in any academic exercise; as well as unauthorized communication of information by any means to or from others during any academic exercise.

**Fabrication and Falsification** - Intentional alteration or invention of any information or citation in an academic exercise. Falsification involves changing information whereas fabrication involves inventing or counterfeiting information.

**Multiple Submission** - The submission of substantial portions of the same academic work, including oral reports, for credit more than once without authorization from the instructor.

**Plagiarism** - Intentionally or knowingly representing the words, ideas, creative work, or data of someone else as one's own in any academic exercise, without due and proper acknowledgement.

Instructors should outline their expectations that may go beyond the scope of this policy at the beginning of each course and identify such expectations and restrictions in the course syllabus. When an instructor receives evidence, either directly or indirectly, of academic dishonesty, he or she should investigate the instance. The faculty member should then take appropriate disciplinary action.

Disciplinary action may include, but is not limited to the following:
1) Requiring the student(s) to repeat the exercise or do additional related exercise(s).
2) Lowering the grade or failing the student(s) on the particular exercise(s) involved.
3) Lowering the grade or failing the student(s) in the course.

**If the disciplinary action results in the awarding of a grade of E in the course, the student(s) may not drop the course.**

Faculty reserve the right to invalidate any exercise or other evaluative measures if substantial evidence exists that the integrity of the exercise has been compromised. Faculty also reserve the right to document in the course syllabi further academic honesty policy elements related to the individual disciplines.

A student may appeal the decision of the faculty member with the department chair in writing within five working days. Note: If, at any point in this process, the student alleges that actions have taken place that may be in violation of the Murray State University Non-Discrimination Statement, this process must be suspended and the matter be directed to the Office of Equal Opportunity. Any appeal will be forwarded to the appropriate university committee as determined by the Provost.

XI. NON-DISCRIMINATION POLICY STATEMENT:

Murray State University endorses the intent of all federal and state laws created to prohibit discrimination. Murray State University does not discriminate on the basis of race, color, national origin, gender, sexual orientation, religion, age, veteran status, or disability in employment, admissions, or the provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities equal access to participate in all programs and activities.
