Murray State University
Common Course Syllabi

Revised October 6, 2008

DEPT: ELC  COURSE NUMBER: ADM 655  COURSE CREDIT: 3

I. TITLE: Curriculum and Program Development

II. CATALOG DESCRIPTION
A study of the supervisory functions dealing with curriculum and program evaluation. In
addition, analysis and techniques for bringing about program and curricular change resulting in
achievement gains will be stressed. A field project is required.

III. PURPOSE
To develop techniques and skills necessary to evaluate, organize, and establish effective world class
standards and programs at the local school level.

Principles, dispositions and skills consistent with the Interstate School Leader Licensure Standards (ISLLC), the
Technology Standards for School Administrators (TSSA), and the professional Code of Ethics for Kentucky
School Certified Staff are incorporated into this course in ways consistent with the purpose of the course and
individual student readiness. The unit’s theme of the reflective decision-maker is emphasized, as students are
required to reflect upon course experiences as part of the learning process and the unit’s conceptual framework
of teacher as leader is addressed as course experiences and the program as a whole are focused upon the
development of leaders. NCATE expectations with regard to KERA Initiatives and EPSB themes are
incorporated through courses as consistent with the scope of each course. KERA Initiatives: Core Content,
SISI and Learner Goals are key to the course; EPSB Themes: Diversity is explored through the examination of
the differentiate approaches to instruction. Technology is embedded as student use and design unit templates
and discuss the use of technology to support walk-throughs.
