I. Title: Public School Law

II. Catalog Description: A study of legal aspects of education. Critical legal content from constitutional law, court decisions, state statutes, state administrative regulations, Attorney General opinions, and local school district policies will be covered.

NOTE: This course may be taken as an elective by a person not pursuing an administrative degree or license (certificate).

III. Purpose: The purpose of this course is for students to understand the history of American Public School law. Further, the student will understand the current status of educational law in a perspective of history and the cultural, social, and political setting of a diverse country. The student will be able to plan and design policies and procedures for the legal operation, management, and control of public schools.

Principles, dispositions and skills consistent with the Interstate School Leader Licensure Standards (ISLLC) and the professional Code of Ethics for Kentucky School Certified Staff are incorporated into this course in ways consistent with the purpose of the course and individual student readiness. The unit’s theme of the reflective decision-maker is emphasized, as students are required to reflect upon course experiences as part of the learning process and the unit’s conceptual framework of teacher as leader is addressed as course experiences and the program as a whole are focused upon the development of leaders. NCATE expectations with regard to KERA Initiatives and EPSB themes are incorporated through courses as consistent with the scope of each course. KERA Initiatives: Learner Goals and Expectation; EPSB Themes: Diversity. The following Technology Standards for School Administrators (TSSA) are supported in this course – III, VI.

This course will enable the student to become familiar with the legislation of KERA in its official language. Each of the Kentucky Revised Statutes dealing with the reform act will be presented.
