I. TITLE: Student Teaching Practicum in Career and Technical Education

II. COURSE DESCRIPTION AND PREREQUISITE(S):
This course provides opportunities for students to participate in all activities and duties generally expected of a career and technical education teacher. Students will observe, participate, and teach under the supervision of a faculty member and a cooperating teacher. Includes experience in lesson planning, classroom management, record keeping, development and use of instructional materials and delivery of instruction. Graded pass/fail.

Prerequisite(s): Admission into teacher education and approval for student teaching.

III. COURSE OBJECTIVES:
Class activities will be centered on the attainment of the course objectives listed below. Following each objective, and enclosed in parentheses, are numbers which reference the Kentucky Teacher Standards for Preparation and Certification (KTS) and Interstate Teacher Assessment and Support Continuum (InTASC) standards addressed by that objective. Upon successful completion of this class, students will be able to:

A. demonstrate skill in connecting classroom instruction to prior knowledge and experiences both in the classroom and outside (KTS #2, 3, 4; InTASC #4, 5),
B. apply learning and teaching theory (KTS #2, 3, 5; InTASC #1, 2, 3, 7),
C. demonstrate the ability to modify and adapt instruction to meet the needs of diverse learners (KTS #2, 3, 4; InTASC # 2, 3, 4, 5),
D. use reflection to translate experience into learning and practice developing skills in reflection (KTS #7; InTASC # 9),
E. develop skill in asking effective questions (KTS #2, 5; InTASC # 6, 8),
F. explore important aspects of discipline and behavior management (KTS # 3; InTASC #3),
G. practice interpersonal and collaborative team skills (KTS #8; InTASC #10),
H. demonstrate use of practice, projects and open-ended problem solving instructional activities in the Career and Technical classroom (KTS # 2, 3, 5; InTASC # 6, 7, 8),
I. demonstrate creative and effective use of instructional media (KTS #6; InTASC # 8),
J. develop skill in time and resource management (KTS #2,7, 9; InTASC # 9),
K. demonstrate the ability to maintain a safe, classroom/laboratory environment conducive to learning (KTS #4; InTASC # 3),
L. demonstrate effective use of instructional technology (KTS #6; InTASC # 7, 8),
M. incorporate technology into effective classroom and laboratory instruction (KTS 3, 4,5, 6; InTASC # 3, 7, 8), and
N. write professionally for the field of career and technical education (KTS # 1).
The COE Theme of Educator as Reflective Decision-Maker is addressed in this course by requiring students to reflect on field experiences.

The EPSB Theme of Diversity is explored in the course through observing and participating in CTE student organizations and classrooms.

Learned societies from each discipline should be referenced by the preservice/inservice teacher. Kentucky documents, including SB1 Initiatives (e.g., Kentucky Core Academic Standards) will be resources for all teacher candidates.

IV. CONTENT OUTLINE:
A. Plan strategies
B. Conduct interviews
C. Observe instruction
D. Plan instruction
E. Assume teacher role
F. Debrief

V. INSTRUCTIONAL ACTIVITIES:
A. Lecture
B. Demonstration
C. Discussion
D. Group problems and activities

VI. FIELD, CLINICAL, AND/OR LABORATORY EXPERIENCES:
Clinical Experiences
  • Daily reflective journal
  • Develop eligibility portfolio

Field Experiences
  • Practicum
    ✓ Observation
    ✓ Instructional materials development
    ✓ Delivery of instruction

VII. TEXT(S) AND RESOURCES:
None.

VIII. EVALUATION AND GRADING PROCEDURES:
This course is graded pass/fail. Student must perform at the 70% level or above to pass. Evaluation is based on observations of both the cooperating teacher and the teacher educator.

IX. ATTENDANCE POLICY:
Students are expected to adhere to the MSU Attendance Policy outlined in the current MSU Bulletin.
X. ACADEMIC HONESTY POLICY:
Murray State University takes seriously its moral and educational obligation to maintain high standards of academic honesty and ethical behavior. Instructors are expected to evaluate students’ academic achievements accurately, as well as ascertain that work submitted by students is authentic and the result of their own efforts, and consistent with established academic standards. Students are obligated to respect and abide by the basic standards of personal and professional integrity.

Violations of Academic Honesty include:

Cheating - Intentionally using or attempting to use unauthorized information such as books, notes, study aids, or other electronic, online, or digital devices in any academic exercise; as well as unauthorized communication of information by any means to or from others during any academic exercise.

Fabrication and Falsification - Intentional alteration or invention of any information or citation in an academic exercise. Falsification involves changing information whereas fabrication involves inventing or counterfeiting information.

Multiple Submission - The submission of substantial portions of the same academic work, including oral reports, for credit more than once without authorization from the instructor.

Plagiarism - Intentionally or knowingly representing the words, ideas, creative work, or data of someone else as one’s own in any academic exercise, without due and proper acknowledgement.

Instructors should outline their expectations that may go beyond the scope of this policy at the beginning of each course and identify such expectations and restrictions in the course syllabus. When an instructor receives evidence, either directly or indirectly, of academic dishonesty, he or she should investigate the instance. The faculty member should then take appropriate disciplinary action.

Disciplinary action may include, but is not limited to the following:
1) Requiring the student(s) to repeat the exercise or do additional related exercise(s).
2) Lowering the grade or failing the student(s) on the particular exercise(s) involved.
3) Lowering the grade or failing the student(s) in the course.

If the disciplinary action results in the awarding of a grade of E in the course, the student(s) may not drop the course.

Faculty reserve the right to invalidate any exercise or other evaluative measures if substantial evidence exists that the integrity of the exercise has been compromised.

A student may appeal the decision of the faculty member with the department chair in writing within five working days. Note: If, at any point in this process, the student alleges that actions have taken place that may be in violation of the Murray State University Non-Discrimination Statement, this process must be suspended and the matter be directed to the Office of Institutional Diversity, Equity and Access. Any appeal will be forwarded to the appropriate university committee as determined by the Provost.
XI. NON-DISCRIMINATION POLICY AND STUDENTS WITH DISABILITIES:

Policy Statement
Murray State University endorses the intent of all federal and state laws created to prohibit discrimination. Murray State University does not discriminate on the basis of race, color, national origin, gender, sexual orientation, religion, age, veteran status, or disability in employment, admissions, or other provision of services and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford individuals with disabilities equal access to participate in all programs and activities. For more information, contact the Executive Director of Institutional Diversity, Equity and Access, 103 Wells Hall, (270) 809-3155 (voice), (270) 809-3361 (TDD).

Students with Disabilities
Students requiring special assistance due to a disability should visit the Office of Student Disability Services immediately for assistance with accommodations. For more information, students should contact the Office of Student Disability Services, 423 Wells Hall, Murray, KY 42071. 270-809-2018 (voice), 270-809-5889 (TDD).
