The Department of Early Childhood and Elementary Education Curriculum Committee met to review proposals for the library/media program. Dr. Hansen called the meeting to order at 11:23 AM. Attending members were Dr. Jacqueline Hansen and Dr. Jo Robertson. Ms. Penny Perkins served as a proxy for Dr. Chhanda Islam who was unable to attend.

We reviewed the Library/Media program proposal submitted by Dr. Johan Koren. At one point, committee members called in Dr. Koren to explain some details about the program. The committee offered these suggestions:

1. Delete the Dr. Koren heading from common course syllabi
2. Clearly specify which resources are required and which are optional
3. Add the MSU Graduate Bulletin phrase to the attendance policy.
4. Check into how to word the Academic Honesty Policy.
5. Change the prerequisites to “Graduate standing”
6. Revise the content outline and student activities in the LIB 640 syllabus to reflect a more generic approach

The committee approved the program of study contingent upon completed revisions.

In addition, Dr. Hansen suggested two items for the EPSB proposal:
1. Change ‘believes’ to ‘believe’ on page 9
2. Find out which faculty to list in the faculty section

The meeting was adjourned at 12:01.

Respectfully submitted,

Dr. Jacqueline Hansen
Chair, ECE Curriculum Committee
